

Be proactive with your oral health!

Sunny Days Dental's goal is to partner with our patients to achieve and maintain your optimal oral health. We understand dental treatment without dental benefits can be costly which is why Sunny Days Dental developed this program.

The Sunny Days Dental Wellness Plan is a discount plan designed to help you maintain routine preventative visits and complete any treatment in a cost-effective way.

Plan Specifications (512) 539-0093

No Annual Maximum

No Deductible

No Waiting Periods

No Claims

No Denials

No Missing Tooth Clause

This plan is not refundable under any circumstances.

Appointments are subject to availability, and lack of availability does not constitute a refund or additional discount

If a service covered at 100% is not used by the expiration date of the plan, the patient forfeits that service

This plan runs 365 days, including the day the plan is originally purchased

Any procedures in progress or performed before the member's eligibility date are excluded

This plan can only be used at Sunny Days Dental and is not applicable if the patient is referred to a specialist's office. The doctor will work with the patient to decide the best course of treatment.

Excludes elective procedures such as Invisalign, Six Month Smiles, and whitening options.
